NURSING RESEARCH

CUMULATIVE INDEX TO VOLUMES 5 TO 8 **JUNE 1956—FALL 1959**

The material in this index is arranged under subjects and authors; volume and page numbers are indicated after each reference, for example, 8:10. The following abbreviations are used: (ed.)—editorial, (Pub. R. R.)—Published Research Reports, and (Res. Rep.)—Research Reporter—(bk. rev.), book review.

A

Abdellah, Fay G.
Appointed nurse consultant to Research Grants and Fellowships Branch, USPHS (Res. Rep.), 8:180
Effect of nursing staffing on satisfactions with nursing care (Pub. R.R.), 7:112
Methods of identifying covert aspects of nursing problems (tables, charts), 6:4
Patients and personnel speak (Pub. R.R.), 7:10
with Eugene Levine: Developing a measure of patient and personnel satisfaction with nursing care (tables), 5:100
See also Burke, Christiana, *jt. auth.*

Abstracts
Abstracting tools in the sciences (Brodman), 8:198
Studies in public health nursing, *1924-1957* (Hilbert), 8:43-144

Accidents
Abstracts of studies in public health nursing, *1924-1957* (Hilbert), 8:96
Studies in nursing (summaries), 5:43, 95; 7:43, 131, 135; 8:184

Accreditation
Comparative study of fully accredited basic nursing programs (Jessee) (tables), 7:100

Administration
Abstracts of studies in public health nursing, *1924-1957* (Hilbert), 8:45
Studies in nursing (summaries), 6:45

Admissions, Graduations, and Enrollments
How successful in nursing school are graduates from a commercial high school course? (Clemence), 5:82
Studies in nursing (summaries), 5:138; 6:47; 7:45, 95, 96, 133
Study of selection criteria for nursing school applicants (Dorffeld, Ray, Baumberger) (tables), 7:67

Adolescence
Studies in nursing (summaries), 8:38

Affiliations
Studies in nursing (summaries), 5:40, 42; 6:47; 7:94

Age and Employment
Studies in nursing (summaries), 5:91; 7:96, 132
Study of the older nurse in Rhode Island (Bertozzi, Sage) (charts), 7:11

Alabama
State Nurses Association: Studies in nursing (summaries), 7:43

Alcoholism
Studies in nursing (summaries), 5:96; 6:48, 92

Allen, Dotaline E.
Opinions and plans of a group of graduate nurses in relation to graduate nurse education, 5:121

American Hospital Association
Effect of nurse staffing on satisfactions with nursing care (Abdellah, Levine) (Pub. R. R.), 7:112

American Journal of Nursing Co.
Board of Directors expression of loss in the death of Mary M. Roberts, 8:3

American Nurses' Foundation
Consideration of problems in nursing research: the Cleveland conference (Johnson) (ed.), 7:99
International nursing project (Res. Rep.), 7:39
USPHS grant for research in nursing, 7:91

Anatomy and Physiology
Studies in nursing (summaries), 6:89, 92

Animals, Experimentation
Experimental investigation of the effectiveness of saline and gluconate solutions following induced shock in animals (Duley, Oates) (tables), 8:189

Anxiety
Study of student anxiety in a tuberculosis nursing situation (Heinemann, Hill, Birkbeck) (tables), 8:155

Aphasia
Studies in nursing (summaries), 7:95

Apple, Dorrian
Social sciences in nursing, 5:85

Argyris, Chris
Diagnosing human relations in organizations: a case study of a hospital, 6:86; (Pub. R.R.), 7:92
Personality and organization: the conflict between system and the individual (Pub. R.R.), 7:10

Army Nurse Corps
Studies in nursing (summaries), 7:45, 135

Arnstein, Margaret
and Maurice Greenberg: A research committee in action, 8:177
International Conference on the Planning of Nursing Studies (ed.), 5:99

Arthritis
Studies in nursing (summaries), 7:137

Asia
Studies in nursing (summaries), 5:41

Associated Hospital Service of N.Y.
Blue Cross pilot study of home nursing benefits, 5:44

Attitudes
Attitude of student nurses toward patient contact and their images of and preferences for four nursing specialties (Meyer), 7:126
Comparisons between medical and surgical nurses (Lentz, Michaels) (tables) (biblio.), 8:192
Evaluation of attitudes towards psychiatric nursing care (Gorham) (tables), 7:71
Nurses' attitudes toward preference for and importance of categories of activity in psychiatric nursing care (Fischer, Leutsch) (tables) (biblio.), 8:212
Personnel inventory of supervisors, head nurses, and staff nurses in selected hospitals; educational implications (Grivest) (charts), 7:77

ATTITUDES *(Continued)*
Studies in nursing (summaries), 6:47, 93; 7:43, 135; 8:40

Audio-Visual Aids
Studies in nursing (summaries), 7:134

Austin, Anne L.
Historical method in nursing (illust.), 7:4

Auxiliary workers
Studies in nursing (summaries), 5:40, 91, 95, 140; 6:45, 89; 7:134, 137, 138
See also Psychiatric aides

B

Bacterial diseases *See* **Infections**

Bahn, Anita K.
and Vivian B. Norman: *Outpatient psychiatric clinics in the United States, 1954-55* (Pub. R.R.), 7:92

Bailey, June Teig
Critical incident technique in identifying behavioral criteria of professional nursing effectiveness (tables), 5:52; (letter), 5:133

Barnowe, Theodore J.
Human relations involved in administering nursing service in a large modern hospital, 6:72

Baumberger, Theodore S., jt. auth. *See* Dorffeld, Mildred E.

Bed rest
Studies in nursing (summaries), 6:91

Beeby, Nell V.
The editors' conference (Kakosh) (ed.), 6:51; Nell Beeby's faith in the future (ed.), 6:3

Behavior
Behavioral sciences and research in nursing (Sanford), 6:52
Critical incident technique in identifying behavioral criteria of professional nursing effectiveness (Bailey), 5:52
Relationship of ward behavior to the discharge status of tuberculosis patients (Wolf, Thurston) (tables), 7:29
Socialization of the student nurse (Williams, Williams) (table), 8:18
Studies in nursing (summaries), 6:45, 46, 91, 92; 7:44, 131, 132
Varying images of the professional nurse: a case study (MacAndrew, Elliott) (tables), 8:33

Belcher, Helen
Appointed nurse consultant to Research Grants and Fellowships Branch, USPHS (Res. Rep.), 8:180

Bertozzi, Emma
and Virginia Sage: A study of the older nurse in Rhode Island (charts), 7:11

Biological sciences, Nursing and research in (Watt), 6:57

Birkbeck, Lyndall, jt. auth. *See* Heinemann, Edith

Bladder atonia after vaginal delivery (Sloane) (tables), 8:26

Black, Kathleen
Human relations content in the basic curriculum (tables), 5:4

Blue Cross
Pilot study of home nursing benefits, 5:44
Reports on study of home nursing care, 7:22

Body Mechanics
Studies in nursing (summaries), 6:93

Bond, Betty
Group discussion-decision, 5:45

Boyle, Rena
Chief Nursing Research and Consultation Branch, USPHS (Res. Rep.), 8:180

Bressler, Marvin
and William M. Kephart: An experience with the use of the mail questionnaire (tables), 5:35

Brodman, Estelle
Abstracting tools in the sciences, 8:198

Brown, Amy Frances
A case analysis method of inferring learning needs, 6:43

Budgets
Studies in nursing (summaries), 7:131

Bunge, Helen L.
Bibliography of research in nursing (ed.) 5:3; Five years of leadership (Hilbert) (ed.), 6:51; International conference on research in nursing (ed.), 5:51; Institute of Research and Service in Nursing Education, Teachers College, Columbia University, 7:113

Burke, Christiana
and Curwood L. Chall, Faye G. Abdellah: Time study of nursing activities in a psychiatric hospital (tables), 5:27

C

California University, Los Angeles
Attitude of student nurses toward patient contact and their images of and preferences for four nursing specialties (Meyer), 7:126

Canada
Windsor: *Comprehensive medical services under voluntary health insurance* (Darsky, Sinai, Axelrod) (Pub. R.R.), 8:181

Cancer
Abstracts of studies in public health nursing, *1924-1957* (Hilbert), 8:88
Extent of cancer illness in the United States. (USPHS), (Pub. R.R.), 7:92
Studies in nursing (summaries), 7:136; 8:37, 39, 184

Carter, Frances M.
Critical incident technique in identification of the patients' perception of therapeutic patient-patient interaction on a psychiatric ward (tables), 8:207

Central Supply Service
Studies in nursing (summaries), 5:40

Chall, Curwood L., jt. auth. *See* Burke, Christiana

Chemistry
Studies in nursing (summaries), 7:94

Children and Child Health
Abstracts of studies in public health nursing, *1924-1957* (Hilbert), 8:99
Play interviews for hospitalized children (Res. Rep.), 7:38
Studies in nursing (summaries), 5:41, 94; 6:46, 90, 91, 93; 7:43, 45-47, 131, 139; 8:183
See also Infants, Pediatrics

China
Studies in nursing (summaries), 5:40

Chronic Illness
Abstracts of studies in public health nursing, *1924-1957* (Hilbert), 8:90
Nursing care in long-term illness (Derham) (Pub. R.R.), 7:112
Nursing services for the chronically ill, 5:134

Citizenship
Studies in nursing (summaries), 7:132

Cleland, Virginia
Critical inquiry into the use of the Graduate Nurse Qualifying Examination Clinical Test by one institution (tables), 8:202

Clémence, Sister Madeleine
How successful in nursing school are graduates from a commercial high school course? (tables), 5:82

Cleveland Conference
Consideration of problems in nursing research (Johnson) (ed.), 7:99

Clinics and Outpatients Departments
How to study the nursing service of an outpatient department (USPHS) (Pub. R.R.), 7:10
Outpatient psychiatric clinics in the United States, 1954-55 (Bahn, Norman) (Pub. R.R.), 7:92

CLINICS AND OUTPATIENTS DEPARTMENTS *(Continued)*
Studies in nursing (summaries), 6:88; 7:33; 8:183

Columbia University, Teachers College *See* Teachers College

Communicable Diseases
Abstracts of studies in public health nursing, *1924-1957* (Hilbert), 8:91
Studies in nursing (summaries), 5:42, 92

Communication Arts
Analysis of conversations between selected students and their patients (Kerrigan), 6:43
Audio-visual call system (Res. Rep.), 7:92
Experience with the use of the mail questionnaire (Bressler and Kephart), 5:35
Studies in nursing (summaries), 5:40; 6:48; 7:41, 96, 134, 136; 8:37, 182

Community Activities
Listing of health and welfare research projects in local communities, July 1956-July 1957 (United Community Funds and Councils of America) (Pub. R.R.), 7:10
Studies in nursing (summaries), 7:40

Conferences
International conference on research in nursing (ed.), 5:51
International Conference on the Planning of Nursing Studies (edit.), 5:99
Studies in nursing (summaries), 5:138
Work conference in nursing research, 5:135

Consultants
Dr. Boyle to head Nursing Research and Consultation Branch, USPHS (Res. Rep.), 8:180
Nurse consultants added to Research Grants and Fellowships Branch, USPHS (Res. Rep.), 8:180

Costs and Cost Analysis
Studies in nursing (summaries), 7:131

Couey, Fred
and Elizabeth D. Couey: *Improving the hospital school of nursing* (Pub. R.R.), 7:10

Counseling and Guidance
Occupational values and occupational selection (Ravitz), 6:35
Studies in nursing (summaries), 5:40, 41, 93, 140; 6:47; 7:133, 134; 8:38

Courtney, Margaret E.
Effectiveness of the classroom laboratory in the teaching of nursing arts (tables), 8:149; (comment, L.) 8:216

Creedon, Carol F., jt. auth. *See* Shapiro, Irving S.

Curriculum
Effectiveness of the classroom laboratory in the teaching of nursing arts (Courtney) (tables), 8:149; (comments, L.) 8:216

CURRICULUM *(Continued)*
Faculty work load in the clinical fields in nursing degree programs (Potter) (tables), 8:160
Human relations content in the basic curriculum (Black), 5:4
Integration of psychiatric and mental health concepts in a generic baccalaureate program (Kaufman), 6:75
Measure of empirical validity (Hawkins) (tables), 8:13
Studies in nursing (summaries), 5:43, 140; 6:48, 92, 93; 7:42, 44, 45, 46, 94, 95, 96, 133, 138, 139; 8:182
